

BUDO CLUB

UNIVERSITY OF ASIA AND THE PACIFIC

November 11, 2011

Royce Reyes
Filipino Federation of Aikido

Dear Mr Reyes:

Greetings!

Budo Club is a multi-disciplinary martial arts club in UA&P that aims to promote self-defense and physical fitness in the university through training in various martial disciplines. The club would like to concretize this by conducting a project entitled *Aikido Open Seminar and Enbukai*. The seminar will be a gathering of the different Aikido dojos in Metro Manila. It will be conducted under the supervision of *Jitsu-yo Bugei Aikido Club* (JBAC) under chief-instructor, Adrian Gan *sensei*, the instructor of Aikido of the UA&P Budo Club. Within the seminar, an *enbukai* will be held. All the high-ranking practitioners of the different dojos will have a chance to teach and demonstrate their different and specialized techniques.

The seminar is open to all students, employees and guests of the University of Asia and the Pacific. It will be on December 3, 2011, Saturday from 6:00pm-8:00pm in Study Hall B (Promenade B) of UA&P. There will be a fee of Php 100.00 per person.

To facilitate easy entrance into the university, we request that all delegates observe the UA&P dress code, the details of which shall be attached on a separate page. A map of the university and its surrounding areas shall also be attached on a separate page for the convenience of the delegates.

We hope that you would join us in this worthwhile event. We would like to ask FFA to help disseminate the activity to the other federations and dojos. If you have any inquiries, you may contact me at 09152882676.

Thank you and good day!

Angela Arnante
UA&P Budo Club President
