

Makati Aikido Club class schedule

(This table is kept scrupulously updated.)

How to register: We are very non-bureaucratic; we strive to keep things simple. To register, simply show up 15 minutes before any scheduled class and introduce yourself to the instructor or to anyone who appears to know his way around. They'll take care of you from that point. That is all.

The above training schedule table is kept scrupulously updated. However, it goes without saying that no training is held on Christmas Eve; Christmas day; New Year's Day; Maundy Thursday through Easter Sunday; and All Saints' Day. On other holidays, training continues unless specifically cancelled. The MAC also observes a 40-plus-years tradition of training every New Year's Eve, from 1400 - 1600 hrs.
